* European Union member state.

¹ Postage price includes registration and insurance charges. Postal parcels may be insured on condition that the country of destination, based on information provided by the Universal Postal Union, delivers insured postal parcels.

² Postage price for parcels up to 10kg and insured parcels is not subject to VAT.

³ Postage price for postal parcels sent to the European Union countries and weighting more than 10kg is levied with VAT at 21%, and 0% when sent to other countries.

Notes:

1. Postal parcels marked with "Encombrant" (cumbersome) are subject to an additional 50% charge of the postage price calculated per parcel and a full kilogram or a fraction of it.

2. Postage prices for surface and air mail international postal parcels are worked out in the following way::

$$M=Ms+(S \cdot Msv)$$

M - total price for surface or air mail international postal parcel;

Ms (columns 3, 5, 7, 9, 11, 13) - price per single parcel irrespective of weight;

S - weight of a parcel (kg);

Msv (columns 4, 6, 8, 10, 12, 14) - price per each 1000g or a fraction.
